

## European Regulation EC No. 1907 / 2006 R E A CH

28<sup>th</sup> June 2018

To whom it may concern:

We wish to advise that regarding the conformance and goods supplied by CY Sheet Metal Ltd to the aforementioned regulation and latest update from ECHA on the 28th June 2018, ECHA increased the number of substances in the Candidate List of Substances of Very High Concern (SVHC) for authorization to 191( full listing can be seen on the ECHA website).

We confirm that we are in receipt of written verification from our supplier base that without exception the good supplied conform to the present Regulation EC No. 1907 / 2006 R E A CH and the updated Annex XVII of June 2011 for an additional quantity of **SVHC** substances.

CY Sheetmetal Ltd being a Downstream User will comply with its obligation under the R E A CH directive within its definition. As a result, we are in close contact with our suppliers for continual updates.

It must be noted that in some instances these companies, have been and are still directly involved with R E A CH in the process of preparation and continuous updates and improvements to this Regulation.

In such cases whereby registration of these **SVHC** substances is required we have been assured that any information in this regard will be passed on to the customers when required. This will be either in the form of direct correspondence or by means of the Product Data Sheets produced by the suppliers.

We hope that the above meets with your satisfaction and ensure you of our best attention and service at all times.
